

PLANNING OF THE OIE SEVENTH STRATEGIC PLAN

Dr Monique ELOIT
OIE Director General

Dr Mark SCHIPP
OIE President

Preliminary remarks

1. The 7th Strategic Plan is a **logical follow-up** of the 6th Strategic Plan, based on the achievements;
2. The structure is **developed in continuity**, for ease of access and consistency;
3. A **non prescriptive approach**, with the development of an operational workplan in parallel.

CONTENT

- Main achievements of the OIE Sixth Strategic Plan
- Global and external challenges and opportunities faced by the OIE
- Planning of the OIE Seventh Strategic Plan
 - Discussing future directions
 - The OIE Members involvement

Main achievements of the OIE Sixth Strategic Plan

A better identification of **strategies**
AMR, AW, PVS Pathway, Observatory,
vaccine banks ...

The launch of the **WAHIS+** project

An **internal reform** of the OIE:
revision of processes and procedures, new
work methods, IT Master Plan ...

Global and External Challenges and Opportunities faced by the OIE

Challenges of other Organisations - **Sustainable Development Goals**

A more competitive **international trade**

New information **technologies** - social media

Global and External Challenges and Opportunities faced by the OIE (cont.)

Societal challenges → scientific approach

- **Climate** changes / impact on animal diseases and biodiversity
- Changes in **consumption patterns** / animal proteins, vegan
- Changes in **production systems** / AW, sustainability

Finally, the objectives are **to preserve:**

- **the coherence of the activities**
- **the effectiveness**
- **the legitimacy / ref. the mandate**
- **the credibility**

of the Organisation for the benefit of its Member Countries

Planning the OIE Seventh Strategic Plan

83rd General Session World Assembly OIE
World organisation for animal health Paris, 24-29 May 2015

Original: English

OIE's SIXTH STRATEGIC PLAN
FOR THE PERIOD 2016 - 2020

(83 SG/17)

1 | Page

logical follow-up

developed in continuity

non prescriptive approach

Strategic planning process

- International open call for tender
- Consulting firms specialised in strategic planning in the public sector
- Contract awarded to Pricewaterhousecoopers - Luxembourg (**PwC**)

Discussing future directions

In the preamble

Clarify, display and promote **the values**
of our Organisation

Avenues of reflection

- to contribute to the good global **sanitary governance** by supporting OIE MC in their efforts to strengthen the national VS
- to promote a **safer trade** while considering the development of economies as well as the sustainability of the systems (ref. Animal Welfare)
- to be the leading organisation for **animal health information**

Cross-cutting directions to be considered

- to define the OIE **science policy**
- to define a comprehensive and integrated Stakeholder Management System /OIE **engagement**
- to develop a **multiyear budget** through a budgetary dialogue
- to permanently improve the OIE **governance** (procedures and policies)

The OIE Members involvement

Importance of Member contributions

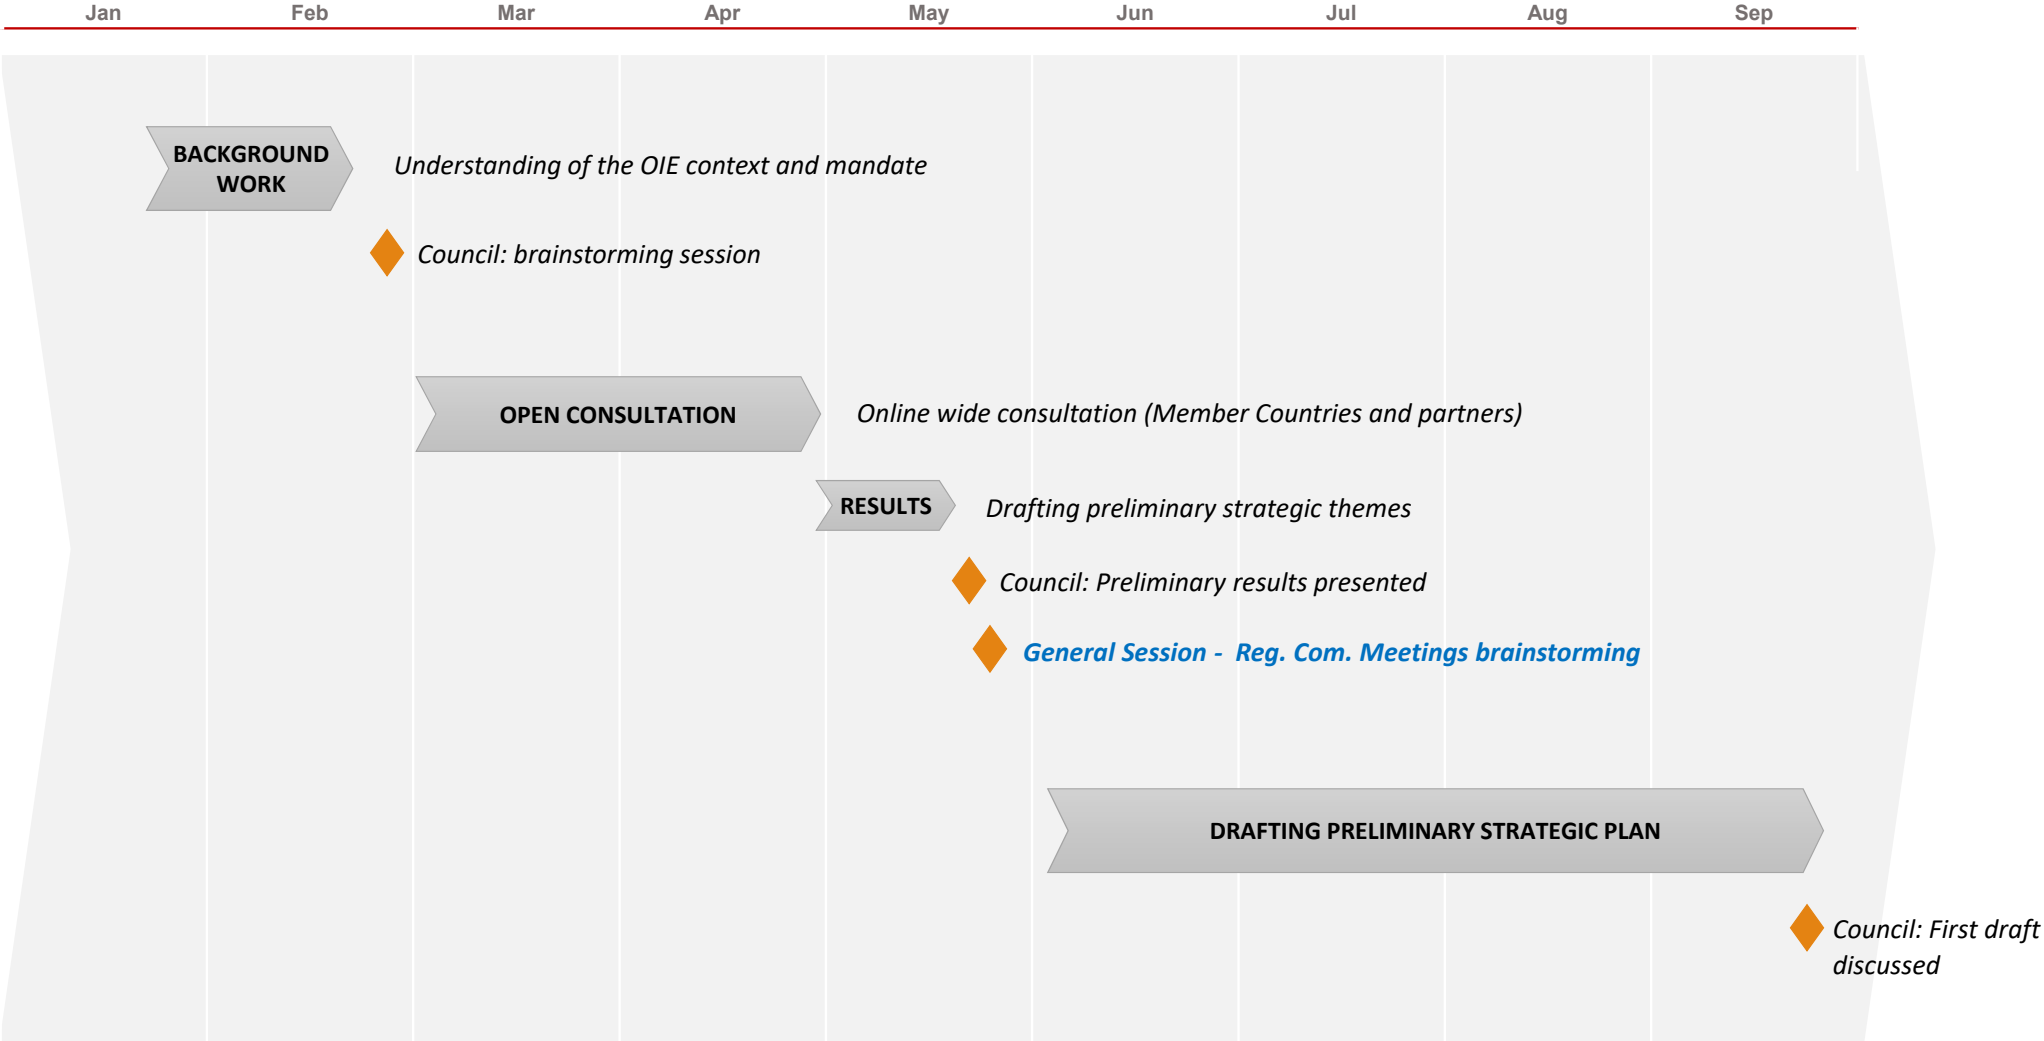

- Our OIE delivers unsurpassed influence;
- Our contributions as members support our OIE to provide a strong coordinated voice on issues that affect us all;
- I want to encourage an open and productive dialogue to ensure the 7th strategic plan is truly representative.

Chronology for inputs in 2018-2020

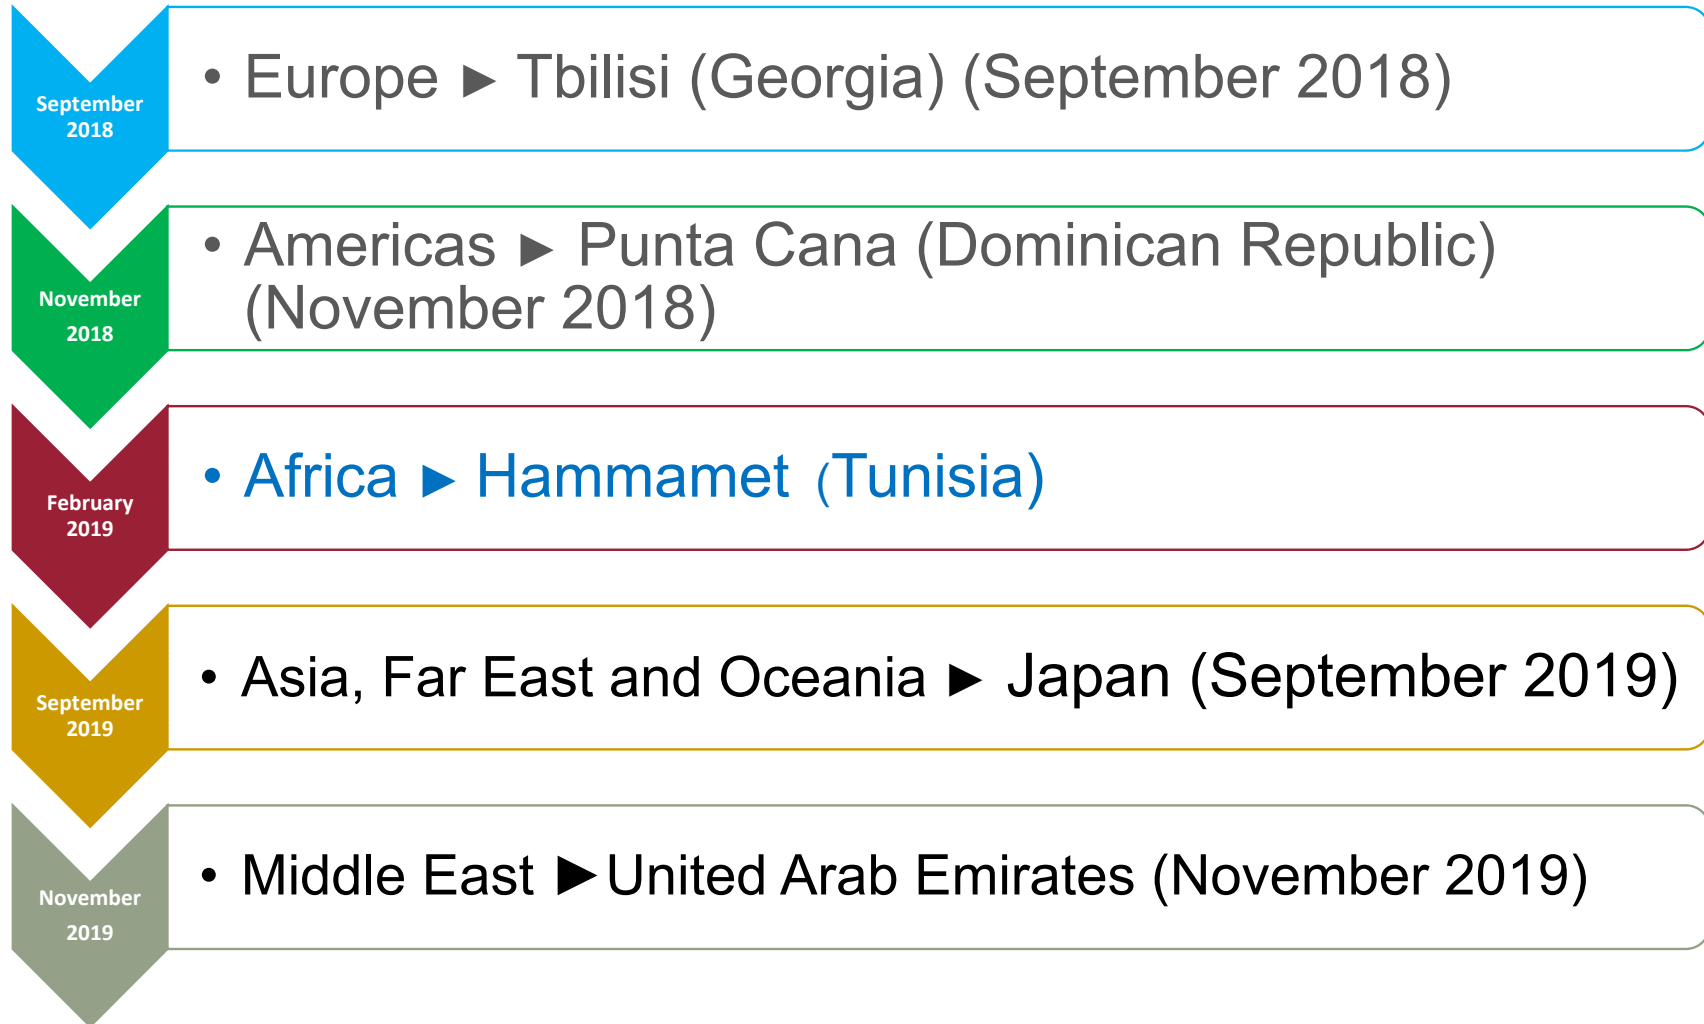

Consultation timeline focus - 2019

Consultation of Members in 2018-2019

Conferences of the OIE Regional Commissions

Today and later ...

- Your reflections and comments on the initial framework and directions for the Seventh Strategic Plan (2021 - 2025) are valued and welcomed
- **Are there critical trends, challenges and opportunities that should be taken into account in the planning process?**

Inputs can be provided to the OIE Director General, to the OIE Council members representing your Region and the members of the Bureau of the Regional Commissions .

**THANK YOU FOR
YOUR ATTENTION**
