

Group work 3

Mapping of biosecurity measures/risk management measures affecting AMR containment in a tilapia production

- **Consider the RA**
 - At each step in production
 - What hazard - what risk
 - What mitigation methods available
 - Where highest impact

Group work 3

Mapping of biosecurity measures/risk management measures affecting AMR containment in a tilapia production

- Consider the RA
 - What does it mean for your
 - Farm
 - Country
 - Region
 - Globally
