# What is World Rabies Day about?

Raising **global awareness** about this 100% preventable disease

Spreading the **message** about rabies and how to eliminate it

**Uniting** towards a common public good

Telling **our stories** and sharing our successes

**Collaborate**

**We need to work together and partner  
with others using the “One Health”  
approach to achieve success.**

# END RABIES: COLLABORATE, VACCINATE

**Vaccinate**

**We need to vaccinate our own dogs,  
vaccinate dogs in our community, and also  
ensure that exposed people receive PEP**
