

VSB Role Play Activity

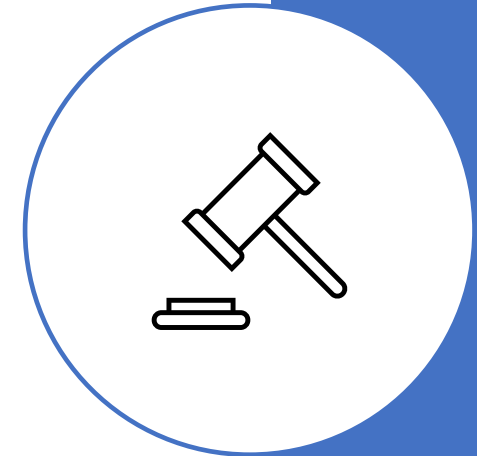

Pretend that you are in charge of creating a new VSB for your country:

VSB Group work: Role play

Pretend that you are in charge of creating a new VSB for your country:

1. Identify people who you would like to be on the VSB board and their positions
2. Identify the standing committees- main topics?
Additional committees? On ad hoc basis?
 - How are VPPs represented? Training institutions?
3. How to phrase the above two elements in legislation?
4. Link your new VSB regulations to other relevant laws: if the executive board needs to be democratic, then this must be enshrined in law (ex: VPPs represented, but with veterinary authority).

Thank you
