One health
Gap Analysis (Transport)

Representing Global Animal Welfare Organizations at the WOAAH

ICFAW collaborates with WOAAH and its Member Countries on the development and implementation of Animal Welfare policies

Memorandum of Understanding

To combine experience and knowledge and to provide intellectual and technical support for the development of animal welfare policies

The modalities of cooperation include

- Mutual consultation on relevant policy issues
- Participation in the standards-setting process
- Development of scientific and technical material
- Organization of events to promote best practices

Update on activities: WOA 91st General Session, May 2024

**ICFAW Info booth
at General Session
in Paris**

Update on activities: WOAAH 91st General Session, May 2024

ICFAW at WOAAH side event on Public Private Partnerships (PPP) highlighting our working relationship with WOAAH.

From the conclusions:
"The event was a significant success (...) As part of WOAAH's mission to improve Veterinary Services, we are dedicated to helping countries implement PPPs, and we truly appreciate (...) ICFAW's support in this regard."
