

Fourth Meeting of the SGE on ASF for Africa,
15 – 17 October 2024

Objectives and Expected Outputs

Karim Tounkara

WOAH Regional Representative for Africa

1. Background (1)

1. Three Meetings held:

- Two online in 2022: Inaugural Meeting : 23 – 24 March 2022 and the Second Meeting: 21 - 22 September 2022.
- One (Third) Face to face : Abidjan (Cote d'Ivoire): 01 – 03 August

2. Reports sent out

3. ToR for the SGE ASF adopted in March 2022

4. Technical items or topics identified (in order of priority)

1. Background (2)

Technical items or topics identified (in order of priority).

1. Value chains
2. Biosecurity
3. Surveillance
4. Outbreak management
5. Socio-economics
6. Cross-border
7. Policy
8. Transparency

1. Background (3)

Coverage of technical items or topics identified

1. Value chains: (Covered): 09/2022 (Second Meeting): online
 2. Biosecurity and 3. Surveillance: Covered : 08/2023: Third Meeting: Abidjan
 4. Outbreak management: Fourth Meeting
- Note: Session on “vaccines and vaccination” (as approved at the previous SGE meeting in Abidjan, in August 2023) postponed until early 2025.

2. Objective of the Fourth Meeting (1)

- **Discuss the Technical Item 4:**
 - Outbreak management
- **Overall Objective:**
 - Exchange on ways of better controlling ASF outbreaks in Africa

2. Objective of the Fourth Meeting (2)

Specifically,

- Review action points and status of implementation of recommendations from the 3rd SGE
- Update on the current disease situation in the region based on WAHIS reporting
- Discuss ASF control, coordination and network interventions at sub-regional level
- Revisit WOAHS Standards on general disease outbreak management

2. Objective of the Fourth Meeting (3)

Specifically (cont):

- Exchange on principles and innovations for managing ASF covering the different pig production systems
- Share Member country experiences on outbreak management.
- Exchange on Innovations and solutions for improved outbreak management in resource limited settings
- Share national ASF preparedness and response programmes
- Group discussions

2. Objective of the Fourth Meeting (4)

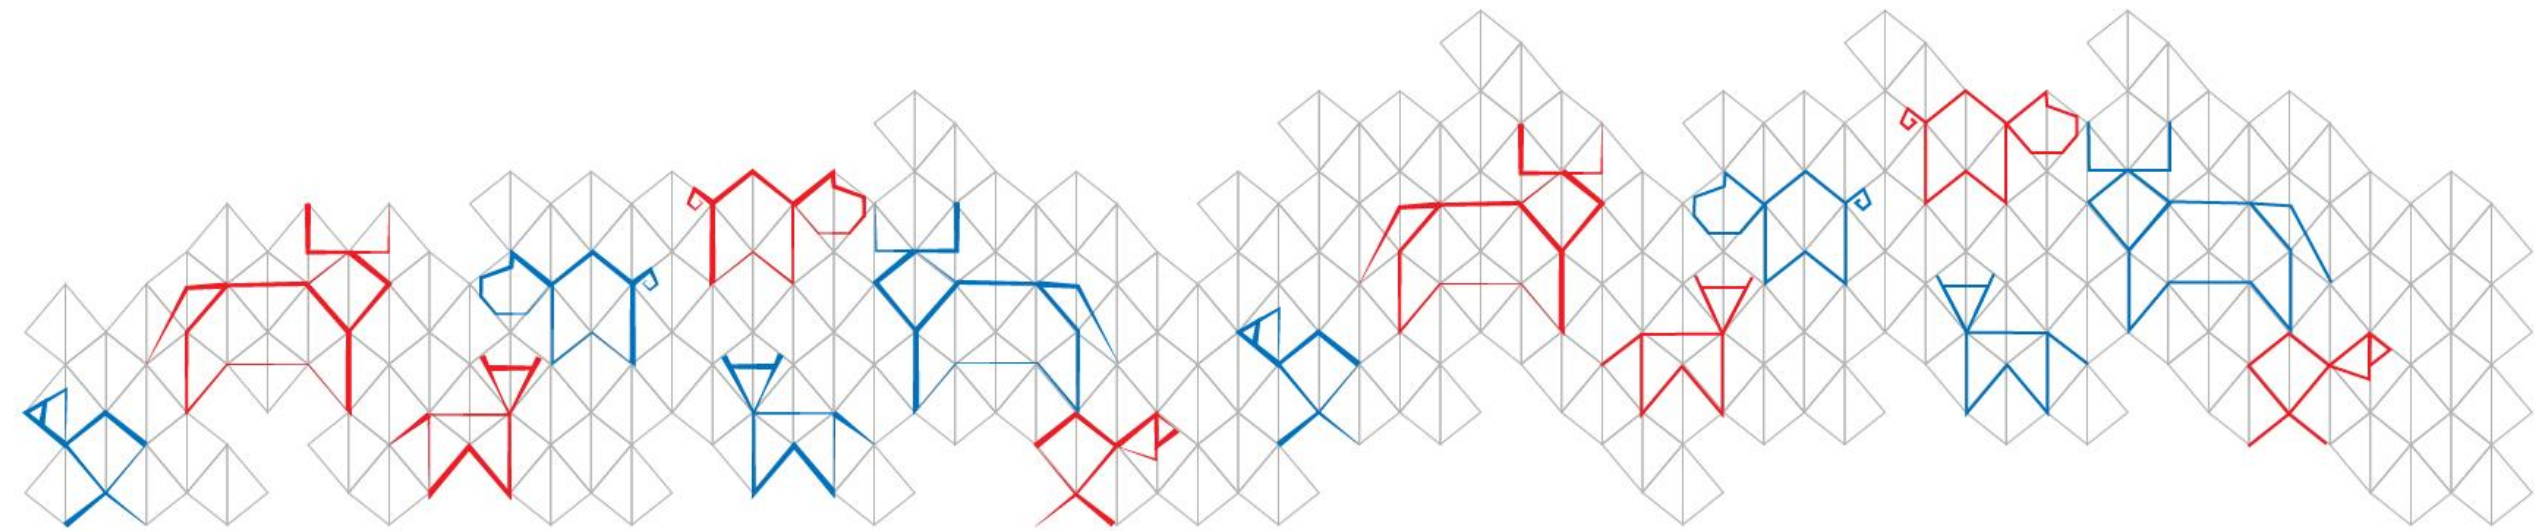

Cross cutting: Review the Proposed amendments to the Terms of Reference and to the list of technical items (Review technical topics for next SGEs 2025-2026, Membership)

3. Expected Outputs

- Action points that will facilitate better management of ASF outbreaks in Africa are proposed.
- The support of the regional partners, FAO and the WOAHA to the Africa Members is strengthened regarding the Global control of ASF GF-TADs initiative.
- Proposed amendments to the Terms of Reference and to the list of technical items (Review technical topics for next SGEs 2025-2026, Membership) are adopted.

THANK YOU !!!
