

 World Organisation
for Animal Health

Substandard and Falsified Veterinary Products Workshop

4 - 6 March 2025. Dar es Salaam, Tanzania.

 The
Fleming
Fund

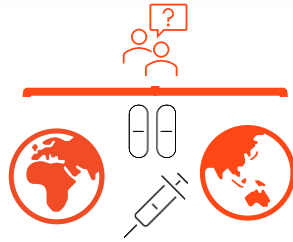

Overall Objectives and Outcomes

Jane Lwoyero

Programme Officer - Sub-Regional Representation for Eastern Africa

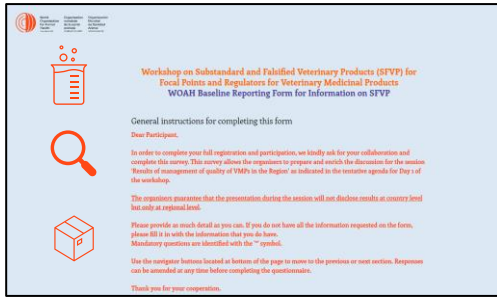

1

Awareness of gaps in knowledge of presence of Substandard and Falsified Veterinary Products (SFVP) in Regions, as well as their impacts on AMR and other harms to Members

2

Understand the management of quality of VMP in the Region

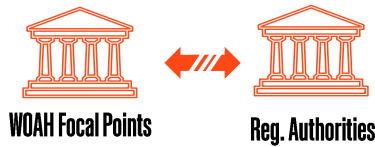

- Responsibilities & legal basis
- Types of monitoring and surveillance
- Recall and Traceability

3

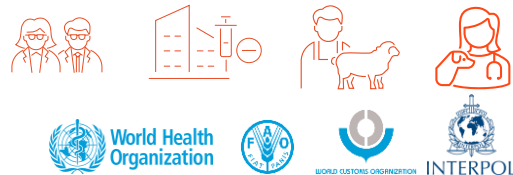

Explain and explore **WOAH VSAFE** with participants

4

Encourage communication and coordination

5

Understand perception and activities on SFVP from different stakeholders

Encourage cross sectorial coordination following a One-Health approach

	End of day	

1

Better understanding of the current situation on SFVP and responsibilities
Improved coordination

2

Identification of gaps and key priorities that WOAH needs to focus to prevent, detect and respond to SFVP in the African context

3

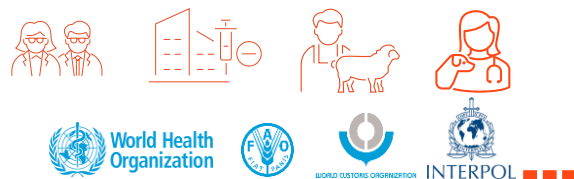

Establishment of reporting systems in Members whose tools are lacking
Use system as additional asset when establishing AMR National Action Plans

4

Improve VSAFE Performance (Fit-for-purpose)
Increase Number of Members voluntarily enrolled to VSAFE
Increase Quality of information reported through VSAFE

5

Trust gained and share data to support prevention, detection and response to SFVP by responsible actors
