* 10. **Is there any reason why the information in this report CANNOT be shared** with others by WOAHA?

If you select 'No' you agree that the information can be shared with other international organisations (such as World Customs Organisation and Interpol) and with WOAHA participants disclosing the name of the Member reporting.

No

Yes

11. Please indicate who and how data can be shared with if it cannot be shared totally

- It can be **shared with other international organisations** (such as World Customs Organisation and Interpol) **and** with **WOAHA participants** at regional level without disclosing the name of the Member reporting the incident but indicating the region affected.
- It cannot be shared with other international organisations (such as World Customs Organisation and Interpol) but it can be **shared with WOAHA participants only**, without disclosing the name of the Member reporting the incident but indicating the region affected.
- It cannot be shared with other international organisations (such as World Customs Organisation and Interpol) but it can be **shared with WOAHA participants only**, disclosing the name of the Member reporting the incident.
- Other (please specify)

In all instances, participants consent that the information can be used for writing the annual public report describing the presence of SFVPs regionally and globally anonymously (that is, no disclosing the country reporting)

23. Are photographs of the suspect product available?

Yes

No

24. If you answered 'Yes' please attach any photograph/s available to this form.

The file size limit is 16MB. For larger files, please send them by email (sfvp@woah.org) including the reference number sent to you after completion of this form
