

 World Organisation
for Animal Health

Substandard and Falsified Veterinary Products Workshop

4 - 6 March 2025. Dar es Salaam, Tanzania.

The
Fleming
Fund

Case Scenario 2

Group Number: X

Instructions

Divide in 5 groups

Each group elects one rapporteur

Instructions

- Each rapporteur completes the tables included in the presentation sent in you email
- Send the presentation completed at sfvp@woah.org
- Each rapporteur will present a piece of the updates
- WOAHA will wrap the session with main points of reflection

Instructions

- You will receive 5 updates
- Each update contains limited information
- Use this information to decide the enquires, investigations you pursue, and next steps
- 10-15 min for each update

What facts can you establish?	What information are you missing?	What risks did you identify?	What action did you take?

There is no wrong answer. There can be multiple solutions

Disclaimer

The case presented is not real and created only for demonstration purposes.

Names, numbers and incidents are the products of the author's imagination.

Any resemblance to actual events is purely coincidental
