

Discussion: continental position on ASFV vaccines (policy issues, risks, communication and awareness)

14 October 2025

Lomé, Togo

Juanita van Emmeneso

Points for Discussion: Policies

- Harmonized regional approaches to implementation
- Integration within existing control and prevention strategies
- Cost and development of Vaccines
- DIVA Diagnostics

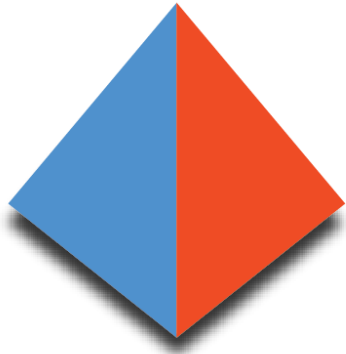

Points for Discussion: Risks

- Partial Protection
- Unforeseen Complications
- Socio-economic Impact

Points for Discussion: Communication and Awareness

- Transparency and Clarity
- Multi-Stakeholder Engagement
- Timely and accurate information
- Building community-based surveillance networks
