***September 27 – 28, 2012***

# **Evaluation of Establishments for Veterinary Education.**

## The **European System of Veterinary Education Establishments:**

was implemented through various stages since 1986,

its present methodology was adopted by the **Consultative Committee for Veterinary Education (CCFV)** in February, 20-21, 1990.

# L'Association européenne des Etablissements d'Enseignement vétérinaire (1988) AEEEV = EAEVE

The Methodology is summarized in the Manual of *Standing Operation Procedures (SOP)*.

## According to the **REEV Med Statutes:**

**Article 3 :** The Association's primary tasks shall be:

- 3: *“To implement in the region a process of evaluation of Establishments comparable to the European System of Evaluation of Veterinary training”.*

## According to the **REEV Med Statutes:**

**Article 4 :** *“Except those already involved in the EAEVE – or other international equivalent organizations - evaluations procedures, **any member must accept in writing to be evaluated within 3 years from being a member and to cover the cost of evaluation according to the conditions stated in the annex.**”*

According to **the REEV Med Statutes:**

**Article 5** : *“Establishments for Higher Education in Veterinary Sciences, **shall be eligible for membership** on condition they adhere to the present statutes, pay the annual membership fees **and comply with the Association's evaluation system.**”*
