PROVIDING LEADERSHIP IN THE DEVELOPMENT OF ANIMAL RESOURCES IN AFRICA

Update on the implementation of the PPR Control and Eradication Strategy and Program

Dr. Hiver Boussini, Animal Health Officer, AU-IBAR
10th Meeting of the Regional Steering Committee (RSC10) the GF-TADs For Africa
6th -8th October 2021

www.au-ibar.org

1/1 Outline

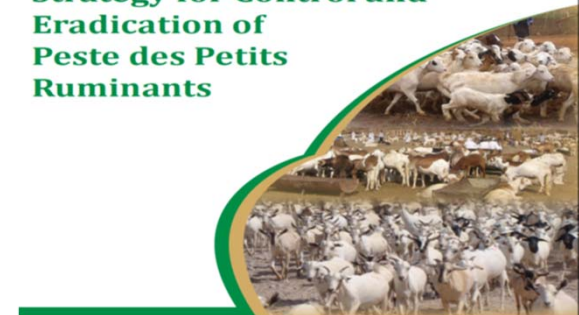

- Background
- Development and Validation of the SADC Regional and National PPR Strategies/Gaps
- Towards Resource Mobilisation for the Pan-African PPR Programme
- Other Related activities
- Regional PPR Roadmaps

**Stratégie Panafricaine pour
le Contrôle et l'Éradication de
la Peste des Petits
Ruminants**

**The Pan African
Strategy for Control and
Eradication of
Peste des Petits
Ruminants**

1/2 Background

- African CVOs Declaration on PPR control and Eradication in April 2008 –Nairobi Declaration
- 1st Pan-African PPR progressive Control and Eradication Strategy developed since 2009 .
- Global PPR Control and Eradication Strategy (GCES) launched in April 2015;
- Pan-African PPR Strategy revised and aligned to GCES in September 2015;
- Global PPR Programme developed in 2016
- AU-IBAR and FAO/OIE PPR Global Secretariat agreed on template and provided financial and technical support for development of regional and national PPR Strategies.

2/2 Background

- AU-IBAR has supported PPR Strategy development for 34 AU Member States
- A PPR Strategy Development write-shop held in Naivasha, Kenya from 4th -7th April 2018
 - over 18 MSs from Central, Eastern, Northern, Southern and Western African regions attended the write-shop

Development and Validation of the Southern Regional and National PPR Strategies/Gaps

- Almost all the African MSs have developed and validated their National PPR strategies and action plan
- A total of 44 MSs supported AU-IBAR, 6 MSs from Central Africa by FAO and 5 MSs by OIE through PRAPS initiative
- Seychelles still yet to validate their Draft National PPR strategy and 5-Year action plan

1/1 Towards Resource Mobilisation for the Pan-African PPR Programme

- Global Conference on “Partnering and Investing for a PPR Free World” jointly organised by FAO, OIE and EU; hosted by EC and supported by AUC was held from 6 – 7 September 2018 in Brussels
- AU-IBAR funded the participation of 9 ministers and 20 high level delegates from 16 AU MS
- In the 2019 programme budget, AUC enhanced budgetary allocation to AU-IBAR to coordinate the pan-African PPR Programme

PPR Disease Free Countries in Africa

To date 6 countries have been recognized by OIE as disease free:

- Botswana, Eswatini, Madagascar, Mauritius, Lesotho and South Africa
- Namibia- PPR free Zone recognised by OIE

1/2 Other related activities

- AU-IBAR supported and facilitated all the PPR Roadmap meeting in the five regions
- AU-IBAR and OIE jointly organised training on preparation of Dossiers for OIE Status recognition and for endorsement of official control programmes for PPR
- AU-IBAR supported staff from 19 MS for the training held in Nairobi from 11th - 13th June 2019

2/2 Other related activities

- Emergency support to Zambia under VACNADA for PPR disease outbreak investigation in 2015
- Jointly FAO/IBAR Cross border meeting for the formation of a sub-regional approach to control and eradicate PPR & other transboundary diseases (TADs)
- Participation in the development and implementation of the regional PPR control initiatives (FAO-TCP) Zambia, Mozambique, DRC and Tanzania.

Other related activities

- Emergency support to Liberia (2015) and Sierra Leone (2018) PPR disease outbreak investigation
- Training of national staff on syndromic surveillance and samples collection Liberia
- Provided 100,000 doses of PPR vaccines to Liberia
- Joint FAO/IBAR Cross border meeting for the formation of a sub-regional approach to control and eradicate PPR & other transboundary diseases (TADs)
- Participation in the development and implementation of the Mano River region PPR control initiatives (TCP).

Other related implemented activities

- AU-IBAR and OIE jointly organised training on preparation of Dossiers for OIE Status recognition and for endorsement of official control programmes for PPR
- Online regional workshop for the development of roadmap for strengthening animal health services delivery and control of TADs in Western and Central Africa (Nov 2019), Eastern Africa (July 2020) Southern Africa (Oct. 2020) Northern Africa (23-24 September 2020)
- Support together with FAO/OIE PPR secretariat and RECs to organize the PPR consultative meeting West (July 2021), Central Africa (August 2021), Southern Africa (Sept, 2021), Northern Africa (sept. 2021) Eastern Africa (Oct.2021)
